

**Pollinator Gardens Nomination Form  
For BCU-Phoenix Approval” and Recognition**

Bee City USA-Phoenix encourages pollinator habitats in yards, parks, commercial and public areas, and formally recognizes outdoor spaces that support and nourish our pollinator populations. Each qualifying garden will be recognized with a “Bee City USA-Phoenix Approved” sign. A \$10 donation is suggested to cover the cost of the signs.

Pollinator Gardens may be nominated by the public or by a Bee City USA-Phoenix representative. Nominated gardens must demonstrate that they provide the three *Basic Pollinator Requirements*, plus a minimum of one *Recommended Pollinator Point*. Please submit this nomination form to:

Sharon Schmidt  
PO Box 263 Phoenix OR 97535  
Bee City USA-Phoenix Chairperson

Please check all of the following criteria that apply:

**Garden Meets Basic Pollinator Requirements**

- No pesticides or herbicides are used inside, or outside within 20 feet of the garden perimeter
- Plants can be found blooming continuously from early spring to late fall
- Water source, such as a shallow pebble-lined dish, bird bath or water feature, is nearby and water is changed at least weekly.

**Garden meets a Recommended Pollinator Point (check at least one)**

- Gardener has attempted to source neonicotinoid-free seeds and plants
- Garden supports a diverse range of native pollinator insects
- A minimum of three native plants are present
- Additional bee habitat such as uncultivated areas or bee hotels for mason bees are present

Is the pollinator garden visible from the street?

- Yes
- No

*The bees and butterflies thank you!*
